

ELECTRIC MONOPOLIES PAY OUR POLITICIANS

WE GET STUCK WITH THE BILL

Senate President
PHIL BERGER
(R-Eden)
\$255,700

Chairman
DAVID LEWIS
(R-Dunn)
\$61,450

Speaker
TIM MOORE
(R-Kings Mountain)
\$121,600

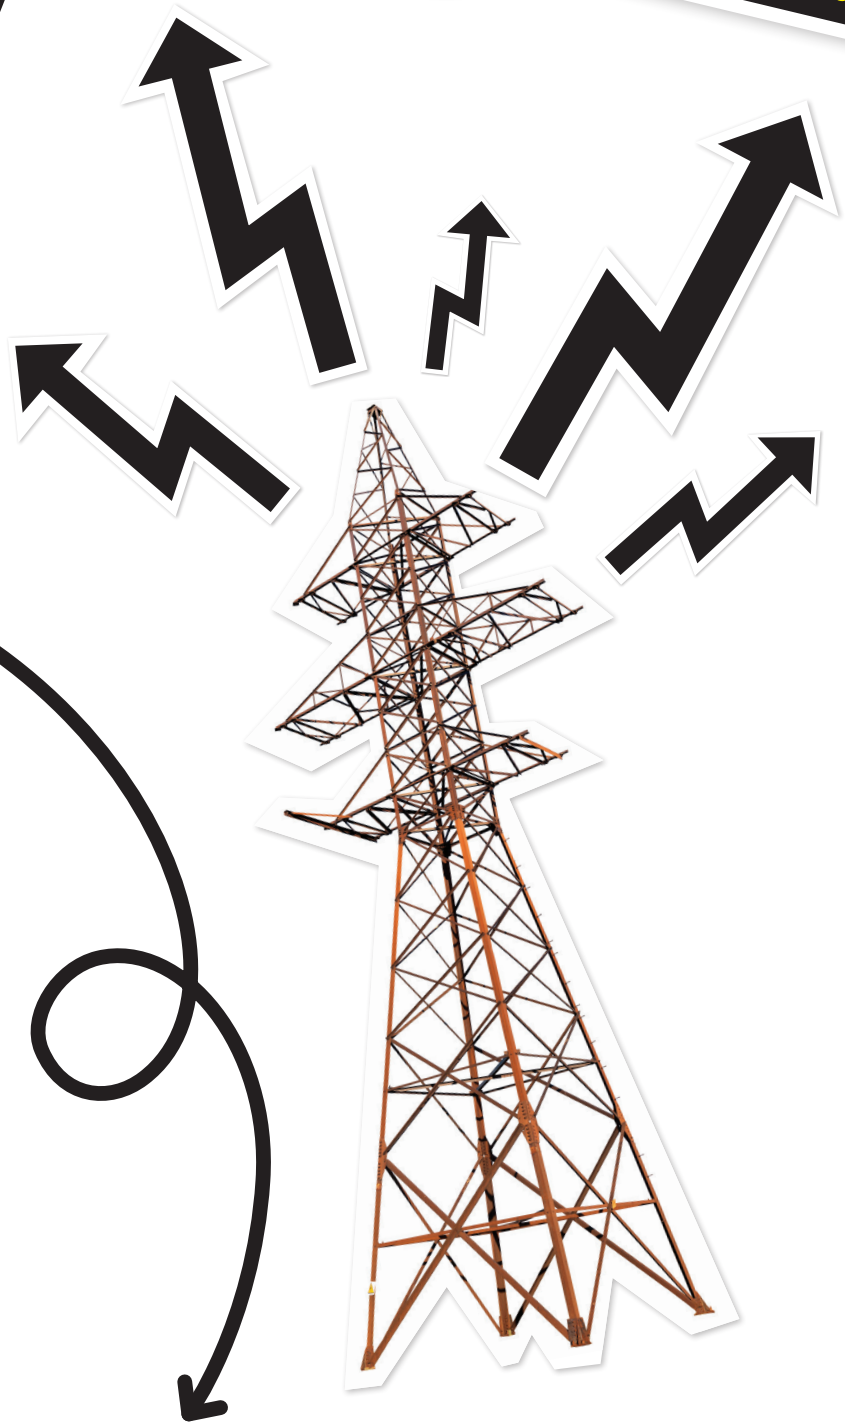

First they **pay off**
our politicians ...

Senate Minority Leader
DAN BLUE
(D-Raleigh)
\$55,300

Then, the politicians
let them **write their**
own rules ...

And pass bills that could
raise electric rates by 50%.²

Duke Energy and other electric monopolies are trying to pass a deceptive bill that's opposed by consumers and businesses. That's why they gave our politicians \$1.6 million over 10 years and ramped up their giving in 2018 while they wrote this bill.³
