GOV. COOPER,
WE NEED YOUR LEADERSHIP ON THE CLIMATE EMERGENCY

Global climate change is an ACCELERATING EMERGENCY.

Disasters are hammering North Carolinians – AND GETTING WORSE.

Scientists say Duke Energy’s massive fracked gas expansion MUST BE STOPPED.

URGE GOV. ROY COOPER TO STOP DUKE ENERGY FROM BUILDING MORE GAS-FIRED POWER PLANTS AND THE ATLANTIC COAST PIPELINE.

These organizations are urging Gov. Roy Cooper to join 1,400 local and national governments in formally declaring a CLIMATE EMERGENCY – and to use his authority to stop Duke Energy’s fracked gas expansion:

- 350 Charlotte
- 350 Triangle
- 350 Winston-Salem
